22 August 2017

On Monday 21<sup>st</sup> August 2017, North West Junior Soccer Association (NWJSA) convened a member requisitioned Special General Meeting. The only item on the agenda was the question of continuing affiliation with South Australia Junior Soccer Association (SAJSA) which in turn affects our affiliation with Football Federation South Australia (FFSA). It was duly resolved to cease affiliation with SAJSA effective at the end of our current membership term.

Our member school's reasons to cease affiliation are;

1. The extra cost of \$24 per player and higher insurance cost over and above the NWJSA fee.
2. My Football Club Online Registration System which has created significantly more workload for the schools. The constant reminders, follow-ups and checks to enforce that every child is registered.
3. Lack of support from SAJSA with the recent grievance against the FFSA.
4. Member schools do not receive sufficient services from FFSA for their NRF monies.

This is not a decision that our members have taken lightly, the debate over affiliation has taken place over a considerable amount of time and has now come to the point that the NWJSA members have made their decision.

Kinds Regards,
